Welcome to PHS

The students and staff of Plainfield High School welcome to the school system our new Superintendent, Mrs. Greta D. Shepherd. Mrs. Shepherd comes to us from the East Orange Public School System. She held many positions there over a ten year period, but the most important ones were Assistant Superintendent of Schools and Acting Superintendent of Schools. We trust that Mrs. Shepherd will have a long and productive tenure in Plainfield. We need this stablizing influence.

We also welcome two new members of the Plainfield High School Administrative Staff pictured here with Mrs. Shepherd at a reception held in her honor by the Plainfield Board of Education. The new members are Dr. Carson Carr, Plainfield High School Principal, and Miss Doris Lee, Vice Principal.

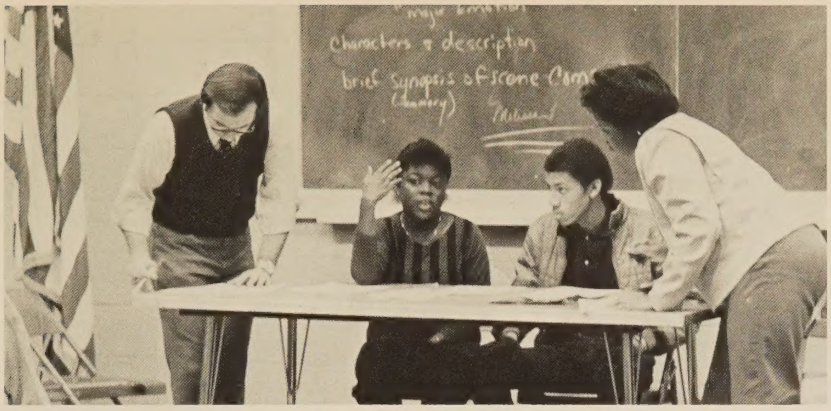
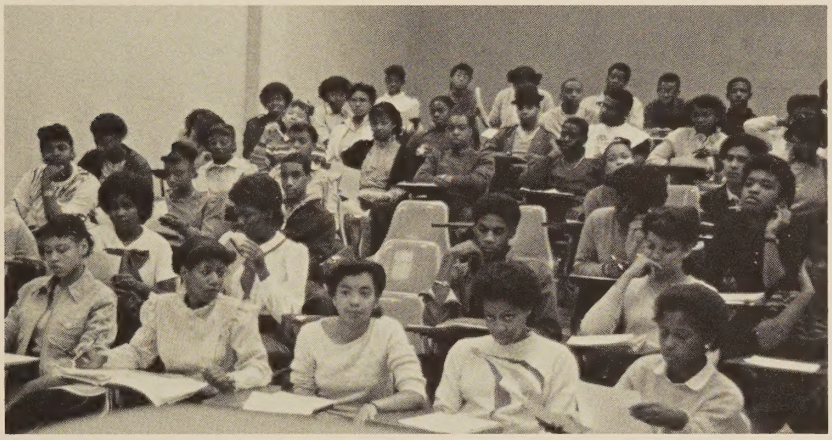
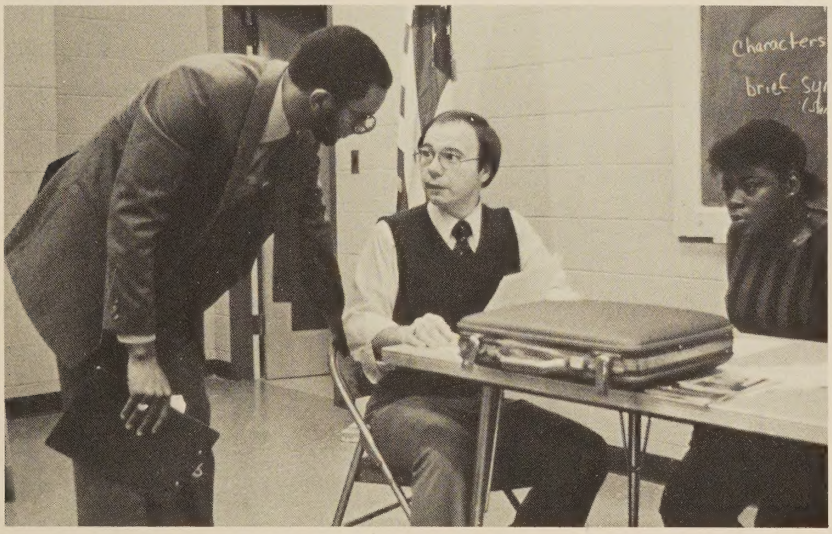
Sunday, December 5, 1982. Receiving line at reception for Plainfield Superintendent of Schools, Greta D. Shepherd. L. to R., Board of Education President Dr. William Henry, Jr., Mrs. Shepherd, and Board Members Norman Brown, Mrs. Marie Davis, Vice President, Mrs. Mari Bonini, Mrs. Beulah Womack, and Halbert Carmichael.

Student Council

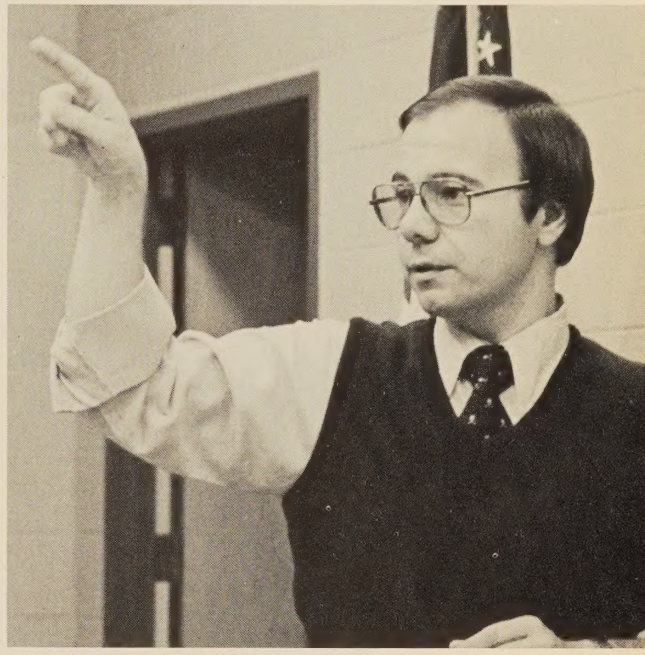






The Plainfield Student Council, under the direction of Mr. Seymour Marsh is an active student government organization. Through meetings in which every homeroom is represented, the council seeks solutions to school problems and addresses student body concerns. The council promotes amiable student-teacher relationships by keeping in touch with the faculty as well as the student body.

Officers of the council are committed to project and maintain a positive image, one that will be acknowledged by members of the community and serve as role models to its peers. The officers hope that such role models will urge the student body to exemplify the same deportment.



Advisor of Student Council
Mr. Seymour Marsh

Positive Pride at PHS

PHS and its students have set a goal to present a positive image of their school to the community and to society in general. Martin Luther King, Jr.'s daughter, Yolanda and Malcolm X's daughter, Attallah, visited the high school auditorium to present their case in encouraging a positive attitude in the way of life of many of today's black teenagers. Among the other positive image-building activities were: the Gospel Choir performing at Rockefeller Center; the PHS Marching Band at the Columbus Day Parade; the National Honor Society sponsoring an annual Christmas Party for Senior Citizens; the participation of our two-time champions PHS team in the Rutger's Bowl TV Quiz Show; the coronation of the Homecoming Queen in the first annual Homecoming pageant; a student sponsored trip to Europe during the Spring vacation, and the Donald A. Finley Special Olympics which is held each Spring for our Special Education students, and the new Aerospace program, which we hope will prepare some of our students for a career in this field.

Restoration and storage of many vintage aircraft occur at the National Air and Space Museum's special facility in Maryland. Here Richard Scheller stands near an early 1900 model.

Exclaming excitement and awe at the complexity of a World War II bomber cockpit is Sue Hendricks. This aircraft was viewed at the Paul Garber restoration facility in Maryland.

1982 saw the launching of the PHS Aerospace program . . . The Aerospace Club, Civil Air Patrol Cadet Squadron, and an Aerospace course. Exploring career opportunities, studying the science of flight, and constructing model aircraft are aerospace course and club activities. Our Cardinals are reaching new heights as their flight training begins.

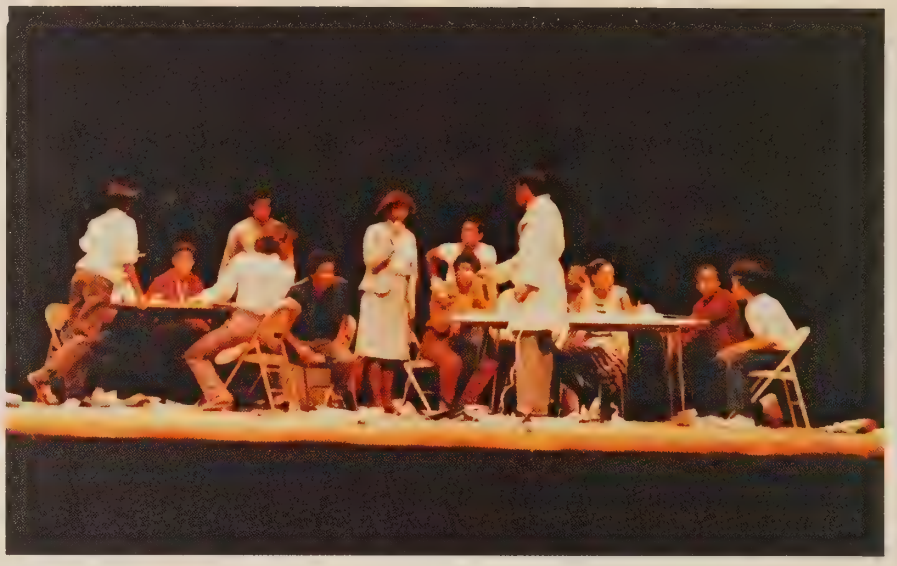
Fans Of The Performing Arts

In 1979 at the inception of FOPA (Fans of the Performing Arts), under the leadership of Mrs. Sheila Thorpe, the group was dedicated to present to the student body of Plainfield High School, theater and dance through both traditional and/or creative works.

Over the next four years of our existence, we have produced a full length play, "Wine in the Wilderness", several original compositions, "The Cone Heads at Christmas", the recent "Lunchroom Blues", and a number of poetic/dramatic readings with song and dance, both original and published for assembly programs. Also, FOPA has entered and placed as high as fifth in Kean College's Annual Poetry Reading Contest.

Our current directions are varied, to continue in the vein of the past, to expand our productions in conjunction with the newly formed Performing Arts classes, to add an on going dance group, and to begin a traveling company. With these goals ahead, Mrs. Thorpe has a dedicated troupe and other advisors to help share the load, Mr. Michael Mosley, Mr. John Smith, and Mrs. Laverne Jones.

If we had a motto, it might be something like this, "Whatever the mind of man can conceive and believe, it can achieve." FOPA is doing it.



How do you keep this place so clean?

A line-up to remember.

I can't read.

I will be on TV!

Homecoming

The Homecoming Queen, Monique Clark, with Karen Clarke and Harvey Johnson

Homecoming Committee

The 1983 Homecoming Pageant was sponsored this year by the Senior Class. The coordinator of the event was Karen Clarke. The contestants and their escorts were Monique Clarke — Troy McNair, Stephanie Fudge — Omar Smith, Robin Kelly — Craig Wallace, Roslyn Waters — Robert Threadgill, Ella Morrison — Chris Johnson, Stephanie Martin — Drayl Butler, Stephanie Robinson — Shayne Cathcart, Tracie Woodall — Charles Gordon, Lisa Malloy — Robert Fuller, Chadia Shakir — Montague Sparrow.

The winning Queen was Monique Clark and the members of her court were Stephanie Martin, Lisa Daugette, Tracie Woodall, Robin Ruffin, and Shevanie Reid. The M.C.'s were Harvey Johnson, Senior Class President and Karen Clarke, Pageant Coordinator.

We trust this pageant will stay as a tradition for years to come at PHS.

PHS Administration

We welcome some new members to the administrative team of Plainfield High School — Dr. Carson Carr, our Principal, and Doris Lee, our new Vice Principal. It is a very challenging job to run a school the size of Plainfield — 2500 students. Our Administration is dedicated to excellence for PHS. It is a goal that Administration and Staff has tried to achieve for the Class of '83 and will continue to strive for future classes at Plainfield High School.

The Class of '83 gratefully acknowledges the contributions made by Mr. Frederick Johnson, Mr. Milton James, and Mr. Seth Hicks in performing the task of Acting Vice Principal. They performed this job during the many changes of administration over the past years when the Class of '83 was in the main building. The students all knew them, respected them, and thank them for their efforts and consideration.

PHS 21 Westfield 3

The forecast was dismal. Only one lineman would weigh more than 200 pounds. Thirteen candidates were academically inelgible. The Watchung Conference American Division schedule loomed ominous as ever. Yet the 1982 Football Cardinals had made a commitment to succeed that was not going to be sidetracked by obstacles or adversity. Under the outstanding leadership of co-captains Terance Hoover and Chris Johnson and the examples set by many dedicated seniors, this team outhit, outhustled, and outexecuted teams that were physically superior and missed the playoffs by one victory. It is fitting and appropriate that the Cardinals would cap off the season by destroying the Westfield "myth of superiority." The Cardinals of 1982 will hold a special place in the history of Plainfield Football.

Boys' Soccer

The 1982 Soccer Cardinals attained many firsts this past season. While accumulating a 7-5 record, best ever in the school's history, they participated in both the County and the State Tournaments this year, the first time it has ever been done. The first round of the County Tournament saw the Cardinals defeat a tough Rahway team, 4-3. The first round of the State Tournament didn't lack the effort. The team held their own for four periods of regulation time and two overtime periods before finally falling to defeat to a highly ranked East Side squad, 1-0, on penalty kick conversions. Other highlights included victories against Union and Johnson Regional.

Co-captain Marino Tavarez

The team put it together this year because of fine efforts on all three lines. The offense was supplied by strikers Fabio and Omar Torres. At halfback senior co-captain Patricio Aguas and junior Donald Duncan were steady. The defense included seniors Wallington Nieva, Michael Spicer, and co-captain Jose Lourenco. At goalie, seniors Michael Elleston and co-captain Marino Tavares provided the much needed saves throughout the season.

Other seniors to be commended for their excellent contribution are strikers Teddy Farrison, Eddie Paredes, and defender Douglas Drews.

This year's Girls' Tennis Team had its best season ever breaking five school records. "The Waiting is Over." A sign bearing this slogan overlooked the high school tennis courts all season. Coach Ken Bandomer had taken three years preparing this team and was confident they were ready to make their mark. The sign was his way of letting everyone know his optimism. By the end of the season co-captains Gabrielle Boccher and Jenny DiMaggio led the team to five new records.

1. Best Overall team record — 12 wins 6 losses
2. Jenny DiMaggio with a 15-5 record at 1st singles.
3. Gabrielle Boccher with a 15-5 record at 2nd singles.
4. Paula Boccher with a 12-6 record at 3rd singles.
5. All time academic record of all teams in all sports.

The team scored first time victories over powerful St. Thomas Aquinas, Clark, and Scotch Plains. Coach Bandomer reflects upon the season by saying "This was a year I will never forget, the individuals on this team are very special, the kind that come along only once in a great while. We will miss seniors Gabrielle Boccher, Josephine Yurgel, and Bich Nguyen. The quality of these individuals can be seen by the schools they will be attending, Harvard, MIT, Annapolis, and Rutgers."

Girls' Soccer has arrived. PHS fielded the first Girls' Soccer team in the school's history. They were guided through the season by Coach Tony Foti and Coach Jim Malkmus.

Soccer is an up and coming sport in the U.S. for the men and the ladies are not far behind. Scores the first year are not important, just getting the team together and playing a full schedule was success enough. We look forward to steady improvement in the years to come.

The Plainfield Lady Cardinals emassed a 10-1 record enroute to a Union County championship and second place finishes in the conference and state championship meets. Led by seniors Lisa St. Clair and Lisa Heaney the Lady Cards totally dominated the competition with the exception of a close lose to State Champion North Hunterdon.

Lisa St. Clair claims the single honor of being the two time State Sectional Champion. Plainsfield only State Cross Country Champion in its long and perstigious history. Lisa Heaney has the honor of setting course records on at least three of our competitors 3.2 mile routes. Rounding out the team was Susan Rountree, Sylvie Mulvaney, Andrea Johnson, Ammie Bynum and Edwina Grant and Tameeca Harris.

Coach Rico Parenti

What can one say to do justice to Mr. Rico Parenti? One could go on and on and still be at a loss for words. Besides being a great basketball coach, he is one of the most popular and best-liked teachers, at PHS, among both staff and students.

Since he came to Plainfield in 1973 he has not had a losing season. He has made PHS a basketball powerhouse — a team to be reckoned with every year. His record over the years is 184-65. He has had five twenty game seasons, numerous Christmas Tournament championships, two Union County championships, four Watchung Conference championships, two North Jersey Section 2 championships and two New Jersey Group 4 State championships — a most commendable, enviable record. In six of his years, PHS was rated in the top twenty teams in the state. In 1982 they were rated No. 10. This year they are rated No. 2. The records speak for themselves and for Mr. Parenti.

This year Mr. Parenti was chosen Coach of the Year by both the Courier-News and the Star Ledger. When Dr. Carr introduced Mr. Parenti and the team at a staff meeting after the championship game, he made this comment: "When I looked at the score at halftime and saw it was close, I knew we would win. And do you know why I knew? Because Rico is a basketball genius." That says it all.

We look forward to many great seasons in the coming years. All Coach Parenti needs is a minimum of talent. He will do the rest.

"The Cardinals got Juice!!" . . . The 1982-83 Lady Cardinal Basketball tradition continues . . . Morristown Christmas Classic Champions . . . Union County Champions, fifth consecutive year . . . Second Sectional title . . . Return trip to the Meadowlands for the State final . . . An excellent season for the all-Junior ladies which was led by Dana Williams, Rene Jones, Jennifer DiMaggio, Lisa Silas, and Michelle Lewis. Others helping to make the 21 and 6 Cardinal Team a success were Crystal Hayes, Carolyn Sargeant, Sheena Hines, Selina Jones, Mary Moye, and Kim Martin.

For the continued support of our fans, the Lady Cards applaud you, one and all.

Lisa Silas scores in the Group 4 Section 2 Championship game.

Front Row L to R: John McCormick, Glenn Moton, David Wassen, Steve Sawyer, Caryn Ferraro, Nat Bender, Phil Bloedorn, Sue Hendricks, Coach Lou Wonsidler. Middle Row to right of the diving board: Anthony Candelario, Ray Proctor, Charles White. Back Row L to R: Stephan Plummer, Irving Gray, Iric Williams, Valerie Mulvaney, Francis Pair, Felicia Fuentes, Lisa Haynes, Ursala Brown, Mike Lewis, Coach Tom Pratt, Charlie Carter, Top: Mike Spicer, Janice Willard.

Felicia Fuentes, the only female to make 60 club at PHS had a great season in the 100 yd. fly and individual medley. The '82-'83 season saw the debut of another senior super shark, Mike Spicer, who was a 55 Club member and had an excellent season in the 100 yd. free and 200 yd. individual medley. Steve Sawyer, also a 55 club member, went undefeated in the 50 yd. free and had an outstanding season in the 100 yd. free and back. Irving Gray, also a 60 club member, led the diving attack for the sharks by placing 6th in the Union County championships. He was followed closely by Stefan Plummer. Other varsity letter winners were Dave Wassen in the 200 and 500 free, Dave Matthews in the 100 breast and free, John McCormick in the 100 back, Caryrn Ferraro in the 200 and 500 free, Glenn Morton and the rest of the PHS Shark swimming team. Our record was 3-10. AT least six were close — could have gone either way. Unfortunatley, they went against us.

Ammie Bynum

Seniors Andrea Johnson and Tony Valentine led the Plainfield Cardinals in action for the 1982-83 Winter Track season. They gathered numerous titles and honors, the most prestigious of which was the honor of High School All-American. Tony was named in the 400 meter run, an event he has captured the state title in for two consecutive years. He was also honored with All-State and Eastern-States championship honors. He is currently the state record holder in the 400 meter dash.

On the dis-staff side it was state champion Andrea who led the Lady Cards setting the state record in the 600 meter run at the Eastern-State championship while gathering All-State and Eastern-State honors to go with her All-American awards.

Co-captains Lisa St. Clair and All-American Andrea Johnson

The Boys featured a mile and two mile relay team that generally had as many as six different people to carry the Red and Blue — John Spooner, Dudley Hilliman, Jeff Grimm, Noel Pyne, Chucky Pennington, Horst Johnson, Reggie Gentiles, Keith Thomas, and Hal Hamilton.

The Ladies featured Lisa St. Clair and Lisa Heaney from the Senior Class, Juniors Wandra Wray, Edwina Grant, Connie Reeves, and Connie Bilal, and Sophomores, Ammie Bynum and Susan Rountree. A host of new Freshman helped to keep the girls competitive and show great promise for the future.

Volleyball

Plainfield is in the Watchung Conference which consists of ten teams. The team plays approximately eighteen games and is involved in three tournaments. The team has only been in existence for two years and last year had a record of 10 wins, 8 losses. Returning from last year's team is Bich Nguyen, Angela Taylor, Maria Rodriquez, and Julia Morel. PHS is looking to rebuild the team this year. Volleyball, along with Girls' Soccer are up-and-coming sports at Plainfield High. They should soon be very competitive with other area schools.

PLANNING COMMITTEE for ANNUAL PHS BLOOD DRIVE
L. to R. — Richard Kern, Kim Wood, Mary Trawick, School Nurse, Terry Lisowski, Edward Horn, Sueeney Law.

Sueeney Law and Kim Wood are students from the National Honor Society who are Co-Chairpersons of the student-run blood drive. There will be about eight other National Honor Society students working with them. The Annual Blood Drive was started in 1975. PHS was the first high school in the area to start such a program and it has been a great success. Staff and students 17 years old and up may contribute to this worthwhile cause. This is one way for PHS to say, WE CARE.

Expressions
By Paul VanDunk

I may be silent,
But I'm thinking
I may not talk,
But don't mistake
me for a wall.

Sour and Sweet
By Paul VanDunk

So what, things didn't go your way today?
You say you're ready to give up.
Just the other day you were laughing,
playing and having fun.

I thought you were on top of the world.
You should know by now how this mixed up
world is.

There are sour times when you just feel like crawling up somewhere and staying there till it's o.k. to come out and everythings alright.

Speaking for myself, I want to add some of my sweet to everyone when I have it, but like I said everyone has days like these.

I know I have my share. All I'm saying is don't let sour get you down, cause sooner or later you'll get some spice.

Because that's life.

Uncle Carding
Uncle Rudy

Around here they say you are
the apple of my eye. Where
we came from we had mangoes,
Langka, atis, santol, etc. But no apples.
Aunt Emy, Uncle Jun,
Melissa, Mariellen, Pia

Good Job!!
We are looking at you
to set the example.
Uncle Joe, Aunt Carolyn,

If your present accomplishments
are a preview of things to
come, we can't wait to see
what's ahead.

We have watched you come
to this world. We nurtured you,
guided you, scolded you, spanked you,
cared for you, but the rest was
all you. Must be. I don't think
we are that good.
Mom & Dad

Originality is hard
to achieve, but for
those who try to be
just themselves it is

A child is a person who is going to carry on what you have started. He is going to sit where you are sitting, and when you are gone, attend to those things which you think are important. You may adopt all the policies you please, but how they are carried out depends on him. He will assume control of your cities, states, and nations. He is going to move in and take over your churches, schools, universities, and corporations . . . the fate of humanity is in his hands.

Abraham Lincoln

Your English teachers, reading teachers, and the librarians wish you a lifetime of pleasurable reading and successful communication of your ideas.

FAREWELL!!

We hope that it has been a pleasant trip — this tour of Main Street. Every "store" which you visited had something worthwhile to offer. Every "purchase" you made was an article with a life-long guarantee. Friends and knowledge were two of the biggest values which you received for extremely reasonable prices.

Although you have come to a turning point in the road, it is hoped that you will never forget this particular part of it. For this was your Main Street, PLAINFIELD HIGH SCHOOL

Parenti Named Coach of the Year

The board of critics in the stands at the Meadowlands Arena was pleased with the coaching of Rico Parenti.

Nancy Parenti, Rico's wife, is a fan, to be sure. And Angelo and Mike Parenti and his sons. Teenagers can be tough on their parents.

Bill Brann, however, could be expected to pass impartial judgment. The 74-year-old gentleman coached Rico Parenti when the latter played at Plainfield as a guard from 1948 to 1952.

He passed judgment the first school day after the state tournament when he called Parenti at his school office to offer congratulations. Parenti had coached Plainfield to a 80-66 victory over heavily-favored Trenton for the state Group 4 championship. It was the second Group 4 championship for the school, both won under the guidance of Parenti.

Brann's assessment of the job done by Parenti:

"He works hard. He is creative and instills a great deal of character and the will to win. When he played for me, he was terrific, loyal and hard working.

Brann's assessment has found agreement.

He is the Star-Ledger 1983 Basketball Coach of the Year.

Parenti won his first state championship in 1976, again in a major upset, that time over a team from Neptune that went into the contest at 31-0. The final Plainfield record that season also was 21-6. The state semifinal victim that season also was a favored Paterson Eastside team.

Deja vu?

"The season was almost like a carbon copy of 1976," Parenti said as he sipped a glass of champagne the night after the championship effort.

In 1976, Parenti suspected six veterans after they got into trouble at the school. Plainfield lost three of four games before they were permitted to return. The drive to the state championship followed.

This season, Eric Felder, Del Harrison and Hassan Talley, the last the son of Charles Talley, a starting guard on the first of the two Weequahic super teams in the '60s that won national honors, were out of action at the start of the season while they improved their grades.

Plainfield lost four of its first 10. With Felder, Harrison and Talley back, Plainfield raced through a 15-2 finish to the championship.

From Brann, Parenti obtained his basic knowledge of basketball.

"I was like a little bug running around the floor for him for three years," Parenti noted.

Graduation sent Parenti to Wyoming Seminary in Kingston, Pa., and the Korean War sent him to the Second Infantry Division. He came back through Tacoma, Wash., where his good friend, Sammy Esposito, who played with the Chicago White Sox, got Parenti into Seattle University. Esposito now coaches baseball at North Carolina State.

Parenti played for Seattle with a team that featured one of the greatest, Elgin Baylor.

"I played with the greatest player in the world," Parenti said. "What he did then, Dr. J does now. I was a role player. Sometimes I started; sometimes I came off the bench. I got the ball to the big man and got the fast break going."

At St. Benedict's Prep in Newark, Parenti became an assistant to Jack Dalton. He's worked with the freshmen team in Seattle and done some coaching in the Army.

Dalton, who claims more than 500 high school victories, was a good teacher.

"I learned a lot from Dalton," Parenti said. "Our two-three high offense comes from him. I got our 1-3-1 trap zone from Lou Carnesecca of St. John's. I go to watch college practices and to a lot of clinics. We got our defensive drills from Al LoBalbo. And our multiple defenses came from Dean Smith at North Carolina." Parenti spent four seasons as the head man at Union Catholic in Scotch Plains, refining his skills, then took over 10 seasons ago at Plainfield.

The Parenti Plainfield record now is 184-65. In 1976 and 1979, there were Union County Tournament championships. There have been five seasons of more then 20 victories. There have been no losing seasons.

There might have been another UCT title this season. But Harrison missed the semifinal with a strained ankle and Linden came out the winner on its way to the championship.

The kids who came back were vital to Plainfield's championship effort. Felder was the MVP with 21 points and six rebounds. Harrison scored eight points, grabbed three rebounds and passed for a basket. Talley filled in admirably as the first off the bench when Plainfield got into early foul trouble.

Marv Smith pitched in 14 points. Raymond Lee scored 13. And Gene Vaughan tossed in 18.

Perhaps Bill Brann's words to the Parenti kids while dad was accepting the championship trophy at the Meadowlands summed it up:

"I'm proud of pop."

Lambert Named Coach of the Year

It was mid-January when the word went out among area coaches that the Plainfield High girls' basketball team was indeed made up of mere mortals

Riding high with a record of 10-1, the Lady Cardinals unexpectedly fell to earth as they were defeated by Union, Elizabeth and Clark. The low point came when Trenton demolished the birds by 32 points.

Suddenly, opposing coaches loaded up their rifles and sharpened their knives in anticipation of delivering the fatal blow to the once-proud Lady Cards

A Group 4 finalist during the 1981-82 season, Plainfield was apparently just a shadow of its 26-1 squad of a year ago. Panic had replaced pride as the word synonymous with Lady Cards' basketball.

But, through it all, Plainfield head coach Harry Lambert stood his ground and braced himself against the onslaught that never came.

Instead, Lambert took a deep breath, continued to preach the sermons that have made the red-and-blue a basketball power, and watched the victories again come pouring forth

And once Plainfield got back on the winning track, there was no stopping the Lady Cards. In fact, the birds flew back to the Meadowlands Arena for a return trip to the Group 4 championship game.

Despite a 10-point loss to Hamilton West in the Group 4 title tilt, there's no mistaking that Lambert waved a magic wand over the Lady Cards all season long.

And, as a result of his efforts, The Courier-News has chosen Lambert as its Girls' Basketball Coach of the Year

After watching his team regroup to post a 21-7 record, Lambert remarked that he kept his faith in the Lady Cards through the up-and-down 1982-83 campaign.

"I wondered at times if we could continue the success we had last season, but I had confidence," remarked Lambert, whose squad ended the year as the top-ranked team in the final C-N Top Ten Poll.

"I think what happened to us there for awhile was that we hit a streak where we weren't playing good ball. The thing is, a team doesn't need a 26-0 and 26-1 record to win the whole tournament. I think our boys (Group 4 titlists) proved that this year."

Led by the outstanding play of guards Dana Williams and Rene Jones, Plainfield kept its head above water long enough for Jennifer DiMaggio and Lisa Silas to come to the rescue.

DiMaggio, who missed the majority of the season with a broken hand, returned in time for the Union County Tournament And Silas, who was academically ineligible early in the year, also donned a uniform for UCT action.

Bolstered by the duo's return, Plainfield downed then unbeaten Union Catholic of Scotch Plains to defend its UCT title. Then, once in state tourney play, the Lady Cards ousted four opponents to reach the finals

"The highlight of the year was getting those two girls back in the lineup," Lambert noted. "They really gave a boost to us, and I doubt that we would have gone as far as we did without them.

Lambert, who has turned out some of the area's finest talent in players such as Tracey Brown, Shielda Smith and Sandy Chambers, should have one of his better squads next winter as five junior starters return for their final season.

However, from the opening day of practice until the final jump ball is contested, Lambert will be his usual self, teaching the Lady Cards how to be winners both on and off the court.

"I think we work hard here and I put in a lot of time with the kids," the affable mentor said. "I'll continue to do that as long as the people here want me to.

"I'm rooted here in Plainfield, and I don't have the desire to move on to college coaching. I'm having fun, and I'm looking forward to some more good years."

FOR IMMEDIATE RELEASE 22 March, 1983

PLAINFIELD H.S. NAMED TO "HIGHWIRE" TOP 100

Plainfield High School has been named to "Highwire Magazine"'s Top 100 High Schools nationwide. P.H.S. came in at number two. The "Highwire" poll was a compilation of primarily student reactions. Once the magazine tallied the student ballots, results were corroborated with the reactions of regional teachers, administrators, and college admissions officers.

"Highwire" calls this ranking "the schools who have done the very best with what they have."

"Highwire" was impressed by the fact that we have had eight All-American's on one track team, and that our athletes have received first place in worldwide junior class awards competitions.

The P.H.S. athletic program has been a story of ongoing success for the past eight years. In addition to team championships, there have been many individual performances to enhance our school's image and prestige.

This past year, our athletes earned an impressive $174,288 worth of scholarships; over eight years' time, $1,394,306 in athletic scholarships were earned.

Approximately 450 student athletes participate in 18 sports; our program's success becomes most evident when reviewed collectively over the past eight years under the directorship of Ben Maggio.

Our Track Team has emerged as a national power over those eight years. At least one athlete has been placed on the American Junior Team each year for the past four years.

The basketball team has also taken two state championships since 1976; most recently, this past Saturday at the Meadowlands.

In four years, out of 7,000 competitors nationwide, PHS has had 19 All-American's. Athletic honors at PHS have a history. 1956 Decathlon Gold Medalist at the Melbourne Olympiad, Milt Campbell, is a P.H.S. alumnus.

The "Highwire" survey takes all areas of scholastic life into consideration. Even though a school may be cited for a strong athletic program, it must support this area with a vigorous academic discipline. This area also impressed the magazine's editors.

Some of the colleges which P.H.S. athletes have attended on scholarship include: American University, Arizona, Fairfield, Virginia, Tennessee, Villanova, Pasadena City College, South Carolina, Princeton, Harvard, North Carolina, University of Nevada (Reno), Georgia Tech, Howard, Hampton Institute, Cheyney State, Fairleigh Dickinson University, Cincinnatti, Tuskegee, Stanford, Rhode Island, Mount St. Mary's, Canasius, Taft, North Carolina Central, Rutgers, Seton Hall, Montclair, Glassboro, and many other distinguished schools.

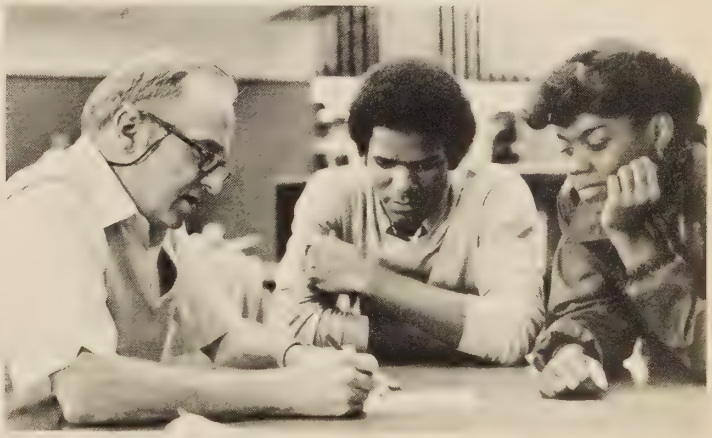
CONSTANT



CONSULTATIONS

Dear Members of the Graduating Class of

1983

It has been an honor, as well as a pleasure, for me to serve as your President for this Senior year.

Our class has made many remarkable achievements throughout our four years here at Plainfield High School. Athletically, we have had a consistently winning track team with nation-wide and state-wide record breakers. This year our football team defeated Westfield at our Homecoming Day, ending a fifteen year losing streak to our arch rival. Lastly, our Cardinal basketball teams made it to the state finals and the boys' team won.

Academically, we have one of the largest graduating classes to leave Plainfield in a good many years. Such accomplishments are the aspirations of every Senior Class president, but I have the pleasure of saying that they were achieved during my term.

Other classes have boasted about being very cohesive, but they have been the ones to break up before graduation. We have been just the opposite. We have gone our own separate ways, but we were able to unite to work toward a common goal, graduation. We have also shown remarkable class as well as school spirit for those two major athletic events.

In order to raise funds, we have sponsored various activities. It is impossible to thank by name all those who were involved in these activities. I would like to thank all the students who were a part of our fund raising activities and getting the class in order, from the various stage crews, candy sellers, models, and gongees, to the prom committee and class representatives and fund raising committee. I would also like to thank the many teachers and administrators for volunteering their time to help by serving as chaperones or just helping us in planning and formulating ideas. But most of all "thank you" to the people who supported the class and our events because without you, we would be nothing.

A very special thanks I extend to Mr. James Bailey for being a super advisor. This was his first time as a class advisor. He did an outstanding job. He was able to channel our energies toward getting the jobs done, but most importantly, he was able to help the officers take on the responsibility of leading the class. If it were not for his patience and endurance, a lot of our happenings would not have been successful. Again, thank you Mr. Bailey.

So, graduates of '83, we have proved ourselves to be a most proud and dynamic class. When you leave PHS, think of it as the beginning of something new and wonderful. Remember some of the experiences you had and hopefully you will use them as learning experiences in the future. But most of all, walk proud with your head high wherever you may go, because you graduated from Plainfield High School.

Wishing you much happiness and success in your futures.

Very truly yours,
Havey Q. Johnson, Jr.
President of the 1983 Senior Class

The lack of a large Yearbook staff kept all the editors very busy, but we still managed to meet all the deadlines.

One person who made this year's Milestone a success is Marino Tavarez, who had to produce the biggest and most important section of all, the Senior Section. His credits also include the layout for the baby pictures, both this year and last year.

Secondly, many thanks go to Raoul Alburg, who handled all the art work and Karen Clarke, who had to type most of the material in this book, especially the detailed material. These three students were also mainly responsible for the successful cover of the 1983 Milestone, which we believe is one of the best.

Thirdly, I give many thanks to the remaining editors: Duane Battle who made the Sports' Section a success, George Chase who took pictures for our book, and Sarah Cherry who handled the Activities Section.

Last, but not least, I wish my sister Georgiann Rosa as much success next year with the Milestone as I have had, for she will be next year's editor-in-chief.

We have been through hard times, but at last it is over. On behalf of the Milestone Staff, I would like to wish the best of luck to the graduating Class of 1983, and may everyone conquer their future goals.

Sincerely,
Juan A. Rosa,
Editor-in-Chief
